The Bankrupt Act.

We have been requested to publish the Bankrupt Law. This is impossible. It makes a respectable volume. In order, however, that our readers may understand it, and may therefore not be liable to be imposed upon by parties, who are indifferent to the interests of others, we have taken some pains to compile from several sources the following general principles of the Act, for the benefit of all who contemplate seeking its benefits. But first of all, we advise our friends not to determine hastily what they will do, until they have had the counsel of a respectable and intelligent Attorney, upon whom they can rely.

1. The manifest design of the Bankrupt Law is to benefit *honest*, but *unfortunate*, debtors, whose just liabilities are greater than they can pay.

2. To become a voluntary bankrupt under this Act, the debtor must owe at least $300, which, of course, he is not able to pay in full.

3. Petitioners under the Bankrupt Act are required to render a schedule of *all* their debts and all claims of *every kind and description whatever*, also an inventory of all their estate, both real and personal, including all property and effects of which they are possessed, or in which they may have an interest, (though not in possession) in conformity with certain "Forms" prescribed in the "General Orders" of the Supreme Court of the United States. These schedules, verified by the oath of the petitioner before a District Court Judge, Register in Bankruptcy, or U S Commissioner, must accompany the petition, and, when filed, is the commencement of proceedings in Bankruptcy. If it should be found out, pending the proceedings at any time before the bankrupt is discharged, that he has, by any shift or subterfuge, made a false or partial schedule, this would be evidence of fraud and would defeat his discharge.

4. When the petition is by a firm or copartnership, a full set of schedules of the respective estates of the members of the firm should also be added.

5. When the petition is filed, the case is immediately referred to a Register, who examines the petition and schedules annexed thereto, and if they are correct in form, makes a certificate to that effect, to be filed with the Clerk, then adjudges the debtor a Bankrupt and issues a warrant to the messenger to summon all the creditors named in the petitioner's schedules to meet at the Register's office, at a certain time and place, to prove their claims and elect one or more Assignees to take charge of the Bankrupt's estate.

6. A creditor can, however, prove his claim at any time previous to the last dividend, which will generally be six months subsequent to the adjudication of Bankruptcy.

7. No creditor has any standing in a Bankrupt Court until he proves his claim.

8. Creditors have no right to compel the Bankrupt to answer questions concerning the disposal of property by him acquired subsequent to filing a petition in Bankruptcy. In other words, the date of the filing of the petition by or against a debtor, is the date at which, if adjudication of bankruptcy follows, the old order of things passes away and a new leaf is turned over. On this point decisions have been variant. The safe rule appears to be, that the applicant in Bankruptcy has a perfect right to claim whatever he has made after his application, by his personal exertions, but any profits he may have made, from investment or credit, may be liable to the claim of the receiver up to almost the period of his discharge.

9. The Bankrupt can apply to the Court at any time after the expiration of six months, and within one year from the adjudication, for the discharge in bankruptcy, and in case no assets come into the hands of the assignee, or no debts be proved against his estate, at any time after the expiration of sixty days.

10. As soon as an Assignee is elected or appointed, the Judge or Register will convey to him, by deed of assignment, all the bankrupt's property except what is exempted, viz: "Household and kitchen furniture and other necessaries not exceeding in value ($500) five hundred dollars; also his wearing apparel and that of his wife and children, and such other property not included in the foregoing as is exempt from levy and sale upon execution or other process by the laws of the State in which the bankrupt resides, to an amount not exceeding that allowed by State exemption laws in force in 1864. A safe 'Counsellor suggests, under this head, that the common impression that persons may become bankrupts and yet be allowed to retain their houses and lands, or other property of considerable value, is a great mistake. Under the Act, no honest Bankrupt in this State can have allotted to him, free from the operation of the Act, exceeding $700, besides the wearing apparel of himself and family. Bankrupts in this State are not entitled to homesteads under this Act.

11. It is the duty of the assignee, within twenty days after the assignment to him is made, to allot to the bankrupt such articles as are exempted, and file an inventory of the same with the value of each article so allotted, and creditors may make objections to the report of the Assignee at any time within twenty days after it is filed.

12. As to costs in bankruptcy proceedings, section 47 of the Bankrupt Act provides that the petitioner, before a warrant issues, shall deposit fifty dollars with the Register, or with the Clerk, to be delivered to the Register as a security for his fees. General order XXIX provides that the fees of the Register, Marshal and Clerk shall be prepaid or secured before they can be compelled to act. It is also provided by General order XXX that where the debtor has no means, and can prove the fact to the satisfaction of the Court, upon application, an order will be made requiring all the costs in the case to be paid out of the fifty dollars deposited with the Register. If, however, there are assets, but not enough to pay the Messenger after deducting the Bankrupt's exempted property, so that nothing comes into the hands of the Assignee, the fees will have to be paid by the Bankrupt; but if the Assignee receives assets, the fees of the Messenger will be paid by him before any dividend is made among creditors.

13. Some suppose that the Register is entitled to $50 fee. The fees of the Register, Messenger, Clerk, and costs of publication of notices in Bankruptcy, are fixed by law, and if they demand higher fees, they are liable, as in other cases of misfeasance in office. In ordinary cases of Bankruptcy, the fees may amount to $100. In some cases more, in some less—the costs depending on the amount of labor and litigation involved in each case.

14. Differences of opinion among Attorneys have existed in this State, as to the limit which the Act makes, as to the time to make application in Bankruptcy. Some have supposed that no debtor will be permitted to apply for Bankruptcy after some early day in March, unless he is able to pay fifty per cent of his debts. We are assured that this is not the case. The law did not go into operation for the purposes for which it was enacted until June 1st, 1867. It gives twelve months from that time, to all honest debtors, whatever may be the extent of their indebtedness which they cannot pay, in which to present their applications. After the 1st of June next, every debtor must be able to pay fifty per cent of his indebtedness in order to a successful application in bankruptcy, unless he first obtain the consent of a majority of his creditors.

The above is a fair specimen of the kind of ballot to be cast at the approaching election by the Conservatives.

GETTING BACK.

Getting back into the Union is still much harped upon. Timid people look eagerly for some means of escape from the threats of the Radicals. The fact is palpable, if we have a Constitution of the United States, that the Southern States are in the Union, were never out of it, and cannot be driven out, so long as the old Constitution lasts.

We are out of Congress? When we shall get in, no mortal can tell, so long as the Radicals control it. Our getting into Congress does not depend upon the action of the people of North Carolina. Suppose we adopt the new Constitution, it is *still* uncertain whether Congress will admit us. It certainly will not do so, until our Legislature adopts the Howard amendment. And even *that* will not do, until the requisite number of States adopt the Howard amendment to make it a part of the Constitution, or, in default of which, Congress will annex new conditions, such as it now proposes to do for Alabama.

Under such uncertainties and disabilities, the people of North Carolina can only act wisely by doing THEIR DUTY TO THEMSELVES,—leaving results to the future. Congress has left to us the choice of *rejecting or accepting* a Constitution.—Can we accept such an infamous Constitution as the Mongrel Convention has provided, without personal dishonor and degradation? Can we vote for it, without bringing CONFISCATION, in the shape of TAXATION, to pay the interest on the State debt? We think not. As Congress has left us the right of choice, let us do what *we* think right and just, and not as Congress may think.

WHICH!—Gen Meade has issued an order, directing military and civil officers in Georgia, Alabama and Florida, to arrest and bring to trial "all persons who may hereafter print, publish, or in any manner give circulation to, incendiary publications of a *secret organization* now spreading through these States." Does he refer to the U. L. A. or the Ku Klux? The former is a serious reality—the latter is probably only a myth. *We* have no use for secret political societies of any sort, but the U. L. A. have done more injury to the country than the fabulous K. K's. could inflict in twenty years.

MAJ. W. S. DEVANE.—The Wilmington *Journal* says that this gentleman, the Conservative candidate for Judge in the Fourth District, "is more than meeting the expectations of his friends. A young gentleman of decided talent, a lawyer of much attainment, his maiden canvass is adding much to his reputation, and his noble efforts in this crisis will endear him to the people of the county."

THE GREAT and paramount issue is: SHALL NEGROES or WHITE MEN RULE NORTH CAROLINA? All other issues are secondary and subordinate, and should be kept so.

"COME AND LET US REASON TOGETHER."

The framing of the fundamental, organic law of a people, is no trivial matter. It should be the work of the combined wisdom, intelligence and virtue of the whole body politic, and by those who have a permanent interest in the State, and should only be endorsed and approved by the voice of the people, after a patient consideration of all its parts, and a full conviction of its soundness, its fitness and its adaptation to the wise and good government of the State. A Constitution forms the basis of republican government, and should carefully define its fundamental law, as well as its powers. In its consideration, therefore, there is no room for passion, or prejudice, much less for partyism, but it is a time for the exercise of calmness, patriotism and unadulterated honesty of purpose.

The Constitution proposed to the people of North Carolina, at this time, does not originate either in the expressed will of our people or the fundamental written law of the State. The proposition to make a Constitution for North Carolina does not come from the convictions of our people, that we need or desire a new fundamental law, differing materially from that which we have had from the beginning. It originates with the National Congress, in a misconception, arising from infamous misrepresentations, of the feelings, sentiments and purposes of the people of this State towards the National government, and from an assumed necessity, on the part of the Congress, to act in violation of and outside of the Constitution of the United States, in order to peace and Union.

The question has arisen, in many a thoughtful, timid mind, "what ought I to do in such a case? Ought I to vote for such a Constitution, or ought I to be silent, or ought I to vote against it?" Again, "if I vote against the Constitution, what then? What will Congress do then? Will it not give us worse terms?" Just such thoughts as these are disturbing some honest, but not well-balanced minds. In the struggle of the old revolution, such thoughts as these disturbed the fearful, the weak kneed and the hesitating, and led many, first to apologise for, and then to join, the tories.

To our minds, these questions are easily answered. Congress has the *power* to force upon us what it pleases. Whether there is such a thing as a Constitution or not, there are now no divided powers in the country. Congress controls the purse and the sword. Its will is sovereign, right or wrong. If it shall see fit to force a Constitution upon us, as bad as or a great deal worse than its mongrel Convention, under its direction, proposes to us, it can do so, and we are bound to submit, for we are powerless. We call this a free country—a free government.—The negroes seem to be freemen, but there are no *free whites* among us, IF we are to have forced upon us a fundamental law—a Constitution against our will, or whether we will or not. If Congress means that the people of North Carolina *shall* frame such a Constitution as its mongrel Convention has done, let it take the whole responsibility of making a Constitution for us.—Our people are not *slaves* yet, to do our masters' bidding, *nolens volens*. Nor can any North Carolinian, *without dishonor*, vote for such a Constitution, because Congress orders it, merely because he may otherwise be threatened with a worse one. It is mean, craven and dastardly to do such a thing, even to prevent the robbery of our lands and property.

Congress, however, has seen fit, in the so-called Reconstruction Acts, to admit, at least in so many words, that the registered voters of the State, after the Convention appointed and provided for by Congress shall have adopted a Constitution, shall determine, a majority of them, by election, whether they will accept it or not, as the organic law of the State. Now an election means a *choice*, a *free will* in voting *for* or *against* the proposed Constitution. If you vote for the Constitution, you thereby, of your own free will and accord, do not simply acquiesce in or submit to it, but you *endorse* it, *approve* it, and your honor, property and life are pledged to its support.—If you do *not* approve it—if you do *not* think it right and just and the best, most fit for the future government of the State, you DISHONOR yourself by voting for it.

"But," says one, "may we not vote for it, now, for the sake of getting back and settling matters, and then, after a while, call another Convention and change things to suit us?" It is quite common, now-a-days, for men to act in bad faith. We know no rule to keep men from playing the scoundrel, when they determine to do so. Congress seems to suspect Southern men of Punic faith. Hence it is very loth to remove the disabilities of so-called Southern loyalists, And well it may do so. For when men betray their own color, their own section and the mothers who gave them birth, they are well-nigh beyond the pale of forgiveness.—Moreover, Congress intends to guard against this very duplicity, as in the case of Alabama, by making its conditions unchangeable!

"But is it not better to vote for this Constitution, lest a worse thing come upon us?" The question originates in so cowardly a spirit, that we are afraid to answer it, lest we may offend. But, believing the interrogator honest, we answer: How can you, *as an honest man*, vote for a Constitution, which fixes a fundamental law upon you and your children, perhaps for ages, which you *abhor* as unjust, unrighteous and degrading to yourself and your children? You are not compelled to vote for it. If you do not approve it, if you cannot pledge your honor, your property and your life in its support, you ought not to vote for it. YOU CANNOT DO IT AND PRESERVE YOUR HONOR! If you are a Radical—if you believe and endorse the doctrine of *negro equality*—the equal claim of the negro with the white man to office and to all the franchises of the government—if you believe that neither color, condition nor *character* should make any distinction or difference in political or social rights,—if you are willing that yourself and your children shall be regarded *only* as the equals of the negroes around you by the Government, THEN you *ought to vote for* the Constitution. But if those *are not* your sentiments, as an honest man, *how can you vote for it!* Better not vote at all, than dishonor yourself and bring disgrace upon those around you. But as a citizen, you not only have a right to vote, but it is plainly your duty to exercise it, honestly and intelligently. Suppose the Constitution should be defeated, and Congress should force something worse on us, *what then?* It is difficult to conceive how Congress should do worse than the infamous Constitution will serve you. Suppose Congress should confiscate your property? Well, the new Constitution will do that for you, very soon, by TAXATION, and the forced sale of your lands and property.—Or if you are in *debt*, *it* will do for you what heartless creditors will do for you, as soon as they get a chance. As to disfranchising you, that can do you little harm, for what is your vote worth, when the meanest negro in the land can kill it by casting his against it?

There is no escape from degradation and ruin by voting for the new Constitution!—Better save your character and your conscience by voting according to your own views of what is right and just, rather than incur the dread responsibility of fixing upon yourself and your children a hated government, by voting for this detestable thing.

Finally, PLAY THE MAN. As long as you can exercise the rights of an American citizen, do it honestly, fearlessly and aboveboard, if the stars fall. When you are afraid to exercise your right of suffrage, against your own convictions of right and justice, for fear that something worse is coming, give up the ballot and retire to some sequestered spot, where men of nobility and virtue cannot see you, to POINT THE FINGER OF SCORN AT AND TO DESPISE YOU!

GEN. ABBOTT'S FINANCIERING.

One point of the letter of the redoubtable Convention Chairman of the Finance Committee we neglected to notice in our article of yesterday.

After saying that the Convention has not provided for taxation of the people, for the purpose of paying interest on the public debt until 1880—a very remarkable statement, considering that the Convention directed interest to be paid *in cash*, beginning on 1st January next, and likewise that the Constitution orders the General Assembly to provide for prompt and regular payment of interest by "adequate taxation,"—the honorable military financier declares that the General Assembly can pay the interest *by issuing new bonds!*

Of course the General can't be serious in this suggestion:

1. The thing can't be done, as the ordinance expressly directs the interest to be paid *in cash*, as we have shown, and the Constitution says it must be paid by "adequate taxation."

2. If done, it would be ineffectual to raise the credit of the State. Capitalists would know that the State, adopting this process, would be on a headlong rush to bankruptcy.

The funding act of March 10th., 1866, raised the value of State bonds to about 65 cents in the dollar, because bond holders believed this process was preliminary to the resumption of interest. As soon as it was discovered that no such provision had been made, the bonds fell gradually to 50 cents and even less. Capitalists will not place faith in our securities, until they see that we will pay regularly our interest as it matures and that we have the ability to keep it up. Virginia has been paying part of her interest, yet her bonds are lower than ours, and always have been, notwithstanding Gen. Abbott asserts the contrary in his letter,—Tennessee, receiving large sums from her railroads, mainly from government transportation, while Sherman marched from Chattanooga to Savannah, has resumed payment of her interest in full, but her bonds have never been higher than 65 or 66 cents. The reason is, that capitalists could not see that the State would continue to have the ability to pay regularly. Gen. Abbott also twits us with the case of Missouri, but he failed to tell us that Missouri received from the U. S. government, for war expenses reimbursed, four or five million dollars, which sum was devoted to liquidating accrued interest. And besides, that State is in the track of emigration, while settlers have been taken away from North Carolina by persistent defamation.

We warn Gen. Abbott, that if he makes any more blunders, such as we have pointed out, he will lose credit for sincerity. We think he offered, as Chairman of the Finance Committee, the ordinance for the resumption of payment of interest 1st. January next in cash. We know he earnestly advocated the measure. We know he reported the Article of the Constitution directing the General Assembly to pay the interest "*promptly* and *regularly*" "by adequate taxation." When, then, the military financier asserts, on the eve of election, that the Convention did not direct payment of interest by taxation until 1880, and that the General Assembly under the action of the Convention can issue new bonds to pay interest, *some* people will impute to him other qualities than *ignorance!*

ROCKINGHAM.—A correspondent, writing us from this county, says: "We are getting on here, politically, as well as we could wish. All of our people are determined to register and vote. Several of the strongest Radicals have come out from among the wretched clan and resolved to vote with the *white men.*"

Another friend, writing us from Wentworth, says:

"W. W. Holden made a speech here, on the 4th. inst., to about 200 negroes and some 20 or 30 whites. Captain Settle was unwell and did not attend, but sent his carriage for the X. P. G. to come and pray for him. After the speaking the Rads and negroes had a meeting to complete their nominations for county officers. That *same grown hog*, John French, was nominated for one of the County Commissioners, and Bob Gwinn, a full blooded African, as another—a shame and disgrace for our county. But old Rockingham will give a good report at the election."

PHOTOGRAPH NO. 3—(BY MACAULEY.)

(Similis non idem.)

"There are some unhappy men constitutionally prone to the darker passions, men, all whose blood is gall, and to whom bitter words and harsh actions are as natural as snarling and biting to a ferocious dog. To come into this world with this wretched mental disease is a greater calamity than to be born blind or deaf.

Barere first fell under the influence of humane and moderate men, and talked the language of humanity and moderation.—But he soon found himself surrounded by fierce and resolute spirits, scared by no danger and restrained by no scruple. He had to choose whether he would be their victim or accomplice. His choice was soon made. He tasted blood, and felt no loathing; he tasted it again and liked it well. Cruelty became, with him, first a habit, then a passion, at last a madness. So complete and rapid was the degeneracy of his nature, that, within a very few months, he had brought himself to look on the despair and misery of his fellow-citizens with a glee resembling that of the fiends whom Dante saw watching the pool of seething pitch, in Malebolge. He had many associates in guilt, but he distinguished himself from them all by the Bachanalian exultation which he seemed to feel in the work of death. He was drunk with innocent blood, laughed and shouted as he butchered, and howled strange songs and reeled in strange dances amidst the carnage. Then came a sudden turn of fortune. The miserable man was hurled down from the height of power. The shock sobered him at once.—The fumes of his horrible intoxication passed away. But he was now so irrecoverably depraved, that the discipline of adversity only drove him further into wickedness. Ferocious vices, of which he had never been suspected, had been developed in him by power. Another class of vices, less hateful, perhaps, but more despicable, was now developed in him by disgrace.—Having appalled the whole world by great crimes, perpetrated under the pretence of zeal for liberty, he became the meanest of all the tools of despotism. It is not easy to settle the order of precedence among his vices; but we are inclined to think that his baseness was, on the whole, a rarer and more marvellous thing than his cruelty. Baseness was an instinct in him. The impulse which drove him from a party in adversity to a party in prosperity, was as irresistible as that which drives the cuckoo and the swallow towards the sun, when the dark and cold months are approaching. The law which doomed him to be the humble attendant of stronger spirits, resembled the law which binds the pilot-fish to the shark."

PARTIZAN MEANNESS.—The Radical papers in this State speak boastingly of submitting the new Constitution, without comment, to the people, as its best defence.—The Convention ordered its Printer to issue a large number of copies of the Constitution, in pamphlet form. Large numbers of them are scattered through the State, at the public expense, but it is invariably preceded, in the same pamphlet, by a partizan appeal to the people to adopt it, signed by Rodman and Gahagan. LET THE PEOPLE BEWARE OF IT!

We learn that the impression prevails, in some sections, that the Constitution published at the *Standard* office, in pamphlet form, materially differs from the official Constitution, printed in the *Sentinel*, and which we issued in an extra, for general circulation. That copy was taken from the official copy published in the *Standard*, and is, no doubt, the correct one. We have not had time to compare it with the pamphlet copy.

SIGNS OF THE TIMES.—Each day affords more and more gratifying evidence that the *white men* of North Carolina are becoming a unit. The exceptions are now, and will continue to be, so rare, that the men who are ashamed of their color, and are seeking its humiliation and disgrace, will be always *men of mark*—a black mark, which will cause them to be shunned and despised for ever. The Leagues are being emptied,—even the more sensible negroes are seeing through the designs of those who are seeking to mislead them; and the day is not distant when ignorant negro dupes and a few scalawags will make up the Radical party of North Carolina. Let them herd together. They suit.

THE RALEIGH *Standard*, of yesterday, we learn, *suppresses* the telegram announcing the defeat of negro suffrage in Michigan.—What shall be said of such conduct? It is of a part and parcel with the deception that is being put upon the negroes by the Radical leaders of the South. The negroes are told that the Republican party of the North are their best friends, but here is a great Radical State which votes down a Constitution, BECAUSE it allows the few negroes in the State to vote, and the fact is sought to be concealed from the negroes of the South! Oh! hypocrisy, thy name is scalawag!

COL. JOHN D. TAYLOR.—The nomination of this gentleman by the Conservatives of Brunswick, as one of the Senators from this district, will prove most acceptable to the people of New Hanover, and the entrance of this gentleman into the canvass is the best evidence of his great interest in the success of the cause. Col. Taylor had uniformly declined the nomination for Senator when it amounted to an election, but when it is offered to him with a large negro majority against him, he has not the heart to desert his old State when she demands of her patriotic sons to make a sacrifice for her welfare. When such men emerge from private life—neglect their own affairs which sadly need all their attention—we feel that their example will have its weight—we know that there is "life in the old land yet."—*Wil. Journal.*

It is rumored that Col. St. Leger Grenfeldt, the amateur warrior, who espoused the Confederate cause, and who is personally known to many of our citizens, has made his escape from the Dry Tortugas, where he was confined under sentence for life, on charge of a conspiracy to burn Chicago.—We sincerely hope the report is true, as we never believed that the Colonel had been fairly dealt with. If he is free, we hope he will spend the rest of his days in writing the adventures of his life, which are as remarkable as those of the redoubtable Capt. John Smith.—*Rich. Whig.*

SHALL NEGRO GUARDIANS BE APPOINTED FOR WHITE WARDS? *That is one of the issues.* The so-called Convention voted down a prohibition of this possible outrage!

OUR PEACE ESTABLISHMENT.—The expenditures for the War Department for the month of March last are set down at $13,900,000—a greater sum than the whole yearly expenses of the government under John Quincy Adams. So much for radical reconstruction. One hundred and sixty millions a year for the War Office on a peace footing may do for the present; but is it to be greater or less next year? That is the question.—*N. Y. Herald.*

Grand Conservative Mass Meeting at Henderson, on Friday, 17th of April.

All Conservatives, and others, who feel an interest in the welfare of our noble old commonwealth, and who desire to co-operate in a united effort to defeat Radicalism and vindicate the honor, integrity and conservatism of North Carolina, are respectfully and earnestly solicited to attend a Mass Meeting and Barbecue at Henderson, on Friday, 17th, of April. Speakers of great ability and popularity will deliver addresses on the vital issues of the day. Come, Conservatives, one and all!

THE REGISTRATION lists will remain open for three days longer. REGISTER! REGISTER! The white man, who neglects this duty, commits a great crime.

COUNTY WORK HOUSE.—Six negroes were carried to the Work House, on Tuesday, by Sheriff Ferrell. They were sentenced to labor, by Judge Buxton, for various offences, at the recent Term of our Superior Court.

RELEASED.—Anthony Jackson and Henderson Taylor, the two negroes who were acquitted, on the indictment for murder, on Monday, have been released. We hope that they will leave the State. Willis, the convicted negro, we learn, manifests an obdurate indifference to his situation.

THE REGISTRATION lists are open at the Court House. Let no man, who is entitled to register, *fail to do so*. If he does, he may repent at leisure!

HON. D. G. FOWLE.—We are gratified to learn that this distinguished gentleman will address the people of Johnston, at Earpsboro', on Saturday. He will also address the people at other points before the election. A severe attack of illness has alone prevented him from throwing all his abilities and energy earlier into the canvass. Sickness in his family prevented him from being at the Mass Meeting in Goldsboro, on yesterday.

HON. NAT. BOYDEN has accepted the Conservative nomination for Congress in the 6th District. He will canvass the District, as far as practicable, against the infamous Constitution.

REGISTRATION.—Registration on yesterday (second day) footed up: Whites 52, Blacks 28. Three days longer! Many white men are yet to register. *Do not fail.*

MAJ. H. A. GILLIAM.—We are glad to see that this gallant and able gentleman is actively engaged in canvassing the Albemarle country. He will do good service.

NEW ADVERTISEMENTS.—S. D. Wait, General Agent for the State, of the Connecticut Mutual Life Insurance Company, gives the public the Twenty second Annual Statement of its condition. It will be observed that the assets of this splendid Company now foot up *over eighteen millions of dollars*,—at once a guarantee of its great and growing popularity and its claims to the confidence of the people. Mr. Wait spares no pains to advance the interests of the Company, of which he is the efficient Agent.

See Tenth Quarterly Report of the Raleigh National Bank of North Carolina.—The exhibit is a flattering one to the financial ability with which it is managed.

REGISTER! REGISTER! REGISTER!!

ALAMANCE.—The following is the Conservative ticket for this County,—and a capital ticket it is:

Senate, (Alamance and Guilford)—Jas. T. Morehead Jr., and David W. Kerr.
House.—Dr. Jno. A. Moore.
Sheriff.—Wm. J. Murray.
Superior Court Clerk.—Baker Grayson.
Treasurer.—David S. Thompson.
Surveyor.—Jas. M. Patterson.
Register.—Thomas G. McLean.
Commissioners.—Jesse Gant, Austin G. Cable, Jno. Crawford, Saml. J. Crawford, Jno. Tapscott.

A friend, writing us from this county, says: "Our prospects are most encouraging. The people are aroused to a pitch I have never witnessed before, and we are confident of carrying our county by a very handsome majority."

INFORMATION FOR SHERIFFS, &C.—Mr. Treasurer Battle has recently, with considerable labor, prepared and arranged the Revenue Laws of the State, with full instructions upon each point of difficulty, and with a copious index, and sent them to every Sheriff and interested officer in the State.—No attempt, we believe, has ever been made before in the State, to reduce our Revenue law to a system, and to afford the officers of the law ample instruction in these matters, and Mr. Battle deserves the warmest thanks of the public for this labor.

WE ARE proud of *all* our candidates.—There was never a nobler ticket presented for the suffrages of a people. But, far above and higher than them all,—pure, able and patriotic as they are,—the prominent candidate for our suffrage is the OLD CONSTITUTION of North Carolina, as against the infamous abortion of the Mongrel Convention!

COL. HALL.—We learn that our friends in the Eastern counties, at the points which our candidate for Lieutenant Governor proposes to visit, are making every arrangement for his enthusiastic reception. This is right. Col. Hall has done, and is doing, his duty nobly, and deserves every mark of consideration which true North Carolinians can bestow upon him.

ORDINANCES.—Some of our friends send to us for the ordinances of the late Convention, and for its journal or the votes. We have nothing of the sort, except what appeared in the *Sentinel*. We cannot possibly command the time from other duties to hunt up documents, &c. The material facts for the canvass have been all presented in the *Sentinel*, and in the tracts issued.

A QUESTION.—A correspondent asks: "Is a man, who served as Postmaster before the war, and afterwards participated in the rebellion, entitled to register 'as a voter?'" Certainly not—that is our understanding of the law, and we did not know it was doubted.

FRANKLIN—ALL RIGHT!—A correspondent writes us from Louisburg, on the 7th:

"We had a rousing meeting to-day. I have never witnessed so much enthusiasm and zeal as animate the men of Franklin. After Mr. Williams' speech, James T. Littlejohn, Esq., of Oxford, and Col. Jenkins, of Warren, addressed the meeting. The speeches produced the wildest applause. The county ticket was filled out and will be sent you by the Secretary."

NORTHAMPTON O. K.—A friend writes us from Jackson, April 6th:

"Northampton is alive to the importance of defeating the odious thing adopted at Raleigh. We have held four meetings and have nine more appointments. We hope to increase our white registered vote by about 100. Nearly every white vote will be cast against the Constitution so-called, while I think the negroes will not be so united as they were at the last election."

A NUMBER of negroes, instigated, doubtless, by the adventurers and mean whites of Wilmington, greatly disturbed the recent Conservative meeting in that City, at which Col. Hall and Judge Person spoke, by hideous yells and other disgraceful conduct. The Wilmington *Journal*, in view of this shameful conduct, very appositely asks:

"How long does it become us to employ a class of people, who are being used, by unknown strangers, to insult those in whose employ they are—nay, to insult the ladies of our city who attended the meeting as the guests of our citizens?"

MR. LEWIS BOND, of Salisbury, has just completed a beautiful working model of a steam engine. It is of ample power to drive a sewing machine, or anything of that kind, and to some such purpose it was designed.

CANVASSERS.—The following additional Canvassers are announced for Northampton, viz: T. G. Tucker, P. F. Faison, J. B. Deberry S. T. Stancill and E. J. Thomas.

IMPEACHMENT A FAILURE.—The impeachment affair has sunk into a ridiculous farce, of which the authors themselves are likely to be ashamed before it comes to an end. The charges are as absurd as the evidence is contemptible. As it stands at present, it looks like a break down.

D'ALEMBERT somewhere says: "There are two things that can reach the top of a pyramid, the eagle and the reptile." A few days will show which has reached *the top* in North Carolina.

THE BUILDING and lot, in Wilmington, belonging to the Bank of Cape Fear, were sold on Monday. Mr. James Dawson was the purchaser for $105,000 in notes of the Bank,—equal to $35,000 in currency.

THE VIRGINIA Mongrel Convention has been sitting ninety-six days, and hasn't hatched a Konstitooshun yet.

WHICH IS BETTER, a system of State government, devised by Gaston, Macon, Daniel, Morehead, and other *North Carolina* patriots, or a system devised by New England adventurers, based upon Yankee notions and prejudices, adapted to New England wants, and adopted by scallawags and negroes?

SHALL WHITE CHILDREN BE COMPELLED to go to the same schools with NEGROES? That is one of the issues.

MATTERS IN JOHNSTON.

JOHNSTON CO., April 7th., 1868.

Messrs. Editors:—The people in the vicinity of Clayton are having quite a protracted meeting in political matters

On Saturday, the candidates for Congress, Mr. Williams and Col. Deweese, of Indiana, discussed the questions of the day—Col. D. leading off in the discussion. He does not seem to be *very* Radical in his politics. He *says* he is opposed to proscription. In short, he is a better Southern man than the native *white washed* nigger-leaguers. Still, he is a nigger-worshipper, clearly bringing his offerings to the altar of Dinah and Sambo, and petting that monstrous abortion, the proposed Constitution. I never heard the gentleman from Indiana before. 'Tis true he doesn't look and do like our sort of folks; but that was to be expected, for he came from a long ways off. I reckon he does like the people do out there where he came from. I was struck with his style of address and gesture. I know not what to liken his style to. He talks like a frog walks—*by jumps*. Did you ever ride over a "corderoy" road, or across potato ridges in a dump cart? If you have, you know his style. He must have been a shoe-maker in his time, for he draws his threads and drives his pegs in a hurry. At least, his gestures are the perfect mimic of a shoemaker in a hurry. Well, as to his argument, I can't say I heard any. I suppose (charitably) he is keeping them for another time. He didn't "git shet" of many ideas, in these parts.

Mr. Williams, the white man's candidate, successfully met him in every position, frequently being interrupted by applause. He showed up the inconsistency of the Radical party—pointing the negroes to the fact that Indiana, Deweese's own State, refused to let them vote, had even forbid their going to that State, and proved the statement by Col. Deweese himself. Mr. Williams then impressed the negroes, present with the patent fact, that their party only wanted them to vote, that the white-washed portion of the party might get office and eight dollars a day. Several old negroes, in front of Mr. W., nodded assent, and thus the discussion on their part closed. Forthwith a negro announced himself a candidate for Sheriff. But let us adjourn till Monday.

Monday: And sure enough here are the candidates! The Conservatives have a ticket of good men—but, under the proposed *thing* called a Constitution, they are too numerous to mention. However, they are all good native born *white* men. The Radicals had to import a few for officers, and it is altogether likely that, on the border, they are getting ready to import a few voters also. But let us see about their candidates.

For the State Senate, there is one Col. Cook, of nigger regiment notoriety, from Maine. He is a perfect tornado of conceit, but says *now* he is not a Radical—but magnanimous, (God save the mark!) Next for the House(?) is Mr. Pou (pronounced like "*pew*," without an s.) They imported him from Alabama. He always believed in the right of secession, was an officer in the C. S. A., but he is still "truly loil," because, he belongs to the nigger party (Republican, so-called.) Next comes one Mr. Hill, of her Brittanic Majesty's Dominions, Cornwall, England. He wants to be one of Uncle Sam's Sheriffs a while—*just a leetle*. A man of so many faces *ought* to have one good one, but ——. May be he has come out to keep the party from being partial between England and Ireland, for you remember you had some Irish *Hay* in the Convention from Johnston. The party ought to keep down strife betwixt the English and Irish,—ought'nt they? Next comes "a friend and brother!!" of African descent,—Bennet Ellington, candidate for Sheriff. He says "he stands up for his color, and that's the *publican party*." He says "the publicans will be glad if he is elected, for he is one of their color, and that the Conservatives will be glad, because he beat a man that *had deserted his color*!" (Hill.) But lor me! Mess. Editors, this ain't half, and I can't tell it to you now.

ANTI-NIGGER LEAGUER.

PROCEEDINGS IN IMPEACHMENT.—It has been agreed by the counsel of the President that Judge Curtis shall open the case on their side. He does not intend to write it, but will speak from very brief notes. He is not certain that he will have time to finish on Thursday. Gov. Boutwell will make the summing up on the side of the managers after the evidence is all in, and with Mr. Bingham will close the case, the latter of course, by virtue of his position, making the closing speech of all. On the defence, Messrs. Evarts and Stanbery will close.—Both on the part of a portion of the managers and the counsel for the President an effort will be made to have the Senate so extend its rule as to allow more than two to speak in closing the case. Mr. Logan is preparing a speech which he is anxious to deliver, and Mr. Groesbeck, of counsel, also wishes to speak. The counsel will call the members of the Cabinet to show that in many respects Johnson has followed the policy of Mr. Lincoln, and that they all advised him that the civil tenure law was unconstitutional, and therefore not binding upon him, and that they also urged him to test the matter in the courts, and that he was taking steps to this end. Gen. Steadman is expected to arrive to-night, in answer to the summons he has received. Col. L. D. Campbell is already here, as is also Major General Sherman. The latter is to be questioned concerning conversations with Mr. Johnson regarding testing the tenure-of-office law in the courts.—*Wash. Express, 7th.*

The "steam man," from Newark, whose advent in New York, some time ago, was described in the *Ledger*, is to walk for a wager from New York to Albany. A gentleman has wagered $1000 that he cannot go the distance without breaking down. The friends of the steam man are confident that he will win. He will only travel in the day time, not for the reason that sleep is necessary for him, but out of consideration for the comfort of his attendants.

SIGNIFICANT.—Forney publishes Sumner's speech denying the right of Chief Justice Chase to vote even in case of a tie in the Senate, and remarks that he does so because it may assume a practical value should Justice Chase assume to vote on the final judgment with the Senators, as already suggested in certain quarters. If Mr. Chase votes, Mr. Johnson may yet be acquitted.—*Rich. Dispatch.*

MASS MEETING.—The mass meeting of the Conservatives comes off here to-morrow.—We anticipate a spirited time. We learn that Gov. Graham, who is at the Mass Meeting in Statesville, to-day, will return and be with us to-morrow. We trust the ladies will honor the occasion with their presence. *Salisbury Old North State, 7th.*

WHICH IS BETTER, the *old* Constitution of our fathers, under which we have lived and prospered, or the *new* Constitution, which obliterates all the ancient and honored landmarks, and provides for a TAXATION, which will crush the people to powder, and which is designed to have the effect of transferring the property of our people into the hands of NORTHERN SPECULATORS?

TYRRELL COUNTY MOVING!!

COLUMBIA, TYRRELL CO., April 3, 1868.

MESSRS. EDITORS:—The Conservatives of Tyrrell County are moving and with good prospects of success. Day before yesterday, at the Court House, a meeting was held to consider the issues now before the people, and nominate candidates on the Conservative ticket. The meeting was well attended, notwithstanding the bad state of the roads, and was organized by electing Maj. Jas. F. Davenport, Chairman, and Abner Alexander, Esq., Secretary. The following nominations were made:

For Representative.—Thos. J. Jarvis.
For Commissioners.—Chas. McClees, Jas. Brickhouse, Jos. Cahoon, Benjamin Spruill, Edward Mann.
Treasurer.—Abner Alexander.
Superior Court Clerk.—Jos. R. Norman.
Register of Deeds.—Thos. W. Knight.
Surveyor.—William G. Nelson.
Sheriff.—Bartlett Jones, Jr.
Coroner.—Samuel Norman.

The meeting was then addressed by Thos. J. Jarvis, Esq., the nominee for Representative, in an elaborate and carefully prepared review of the proposed Constitution, and the audience paid him the highest compliment that can be paid a speaker—that of intense and quiet attention. The applause which followed the conclusion showed that they thoroughly agreed with the sentiments of the speaker.

After two or three more addresses, the meeting adjourned, leaving the impression on the mind of the observer, that the prospects of the Conservative vote, even here in the extreme East, are such as to warrant the best anticipations for the result, on the 21st, of the present month.

C. J.

J. W. ALBERTSON.—Not very greatly to our astonishment, we learn that this political weather-cock has shifted his wind to a Northerly direction, and become the Radical candidate for Solicitor of this Judicial District. To undertake to give a reasonable account of Sir Jonathan's political antecedents, for the last *three weeks*, would be more than an effort at such foolishness, just now, would pay. It is deemed sufficient to know that his overweening ambition for office has placed him "check by cheek, and jole by jole" with the gizzard-foot and ebo-shin of Perquimans county.

We learn that Sir Jonathan made a desperate speech to his choice *color* last Saturday, at the Court House in Hertford, and the most wicked and deplorable feature of the whole was, that he brought his religion in with his politics. Shame, oh, shame!

We have manifested some anxiety to know whether this defunct "Knight of the Quill" did or did not tell the negroes within his hearing of the dash he cut in Raleigh during the war, in signing *ten cent shin-plasters* and editing a rebel newspaper. Tell them all, Sir Jonathan—don't cut it up in piece-meals. The way of the transgressor is hard.—*Edenton Transcript.*

MICHIGAN—NEGRO SUFFRAGE REPUDIATED.—In the election yesterday the vote was upon the adoption of the new Constitution. There were two separate articles submitted—one in regard to prohibition of license for selling liquor; the other, whether the sessions of the Legislature should be annual or biennial. Michigan is one of the staunchest of the Radical States. Her Senators—Chandler and Howard—and her representatives in Congress have devoted themselves exclusively to the elevation of the negro above the white man. Rather than submit to this disgusting imposture, the people of Michigan have rejected the entire Constitution. By what majority would they not have rejected the brutal heresy of negro suffrage, had it been submitted to them as a separate proposition?—*National Intelligencer, 7th.*

SPEECHES AT KINSTON.—Our Conservative friends assembled, in large numbers, at Kinston, Saturday last, to hear our townsman, Hon. C. C. Clark, and others, who had been invited to address them. The Court House was densely packed, and great enthusiasm prevailed. If the Conservatives of Lenoir shall exert themselves, as they undoubtedly will, a glorious triumph awaits us in that county. We sincerely trust that in their anxiety to elect their candidates they may not forget that the primary object of the campaign is to defeat the radical negro supremacy Constitution.—*Newbern Journal of Commerce.*

FINANCIAL.—It is now understood that the Committee of the House on Banking and Currency will soon enter upon the discussion of the proposition now before it of substituting greenbacks for the national bank currency now in circulation. The friends of this measure are anxious to bring the matter before the House to get at once the sense of that body upon the question.

The most shameful bonds issued by our Government are those with which it has shackled the limbs of the people of the South.—*Prentice.*

CONNECTICUT LAST YEAR.—Last year the Radicals had one majority in the Senate and eleven in the House.

THEN.

"WHO WILL PLOT FOR THE HEADS OF ABE LINCOLN AND GEN. SCOTT?"
—*W. W. Holden, June 5th, 1861.*

NOW.

"Our beloved State will once more put on the garments of prosperity; and our people will be contented and happy through the long ages reserved for the existence of the government which Washington established, and which LINCOLN labored and died to preserve.

Fraternally yours,
W. W. HOLDEN, President.
JAS. H. HARRIS, 1st Vice Pres.
A. H. JONES, 2nd Vice Pres.
G. W. HORNER, Sec'y."

(Closing sentence of the address to the U. L. A. in N. B. January, 31, 1868.)

SHALL WHITE CHILDREN BE APPRENTICED TO NEGRO MASTERS?—*That is one of the issues.* The mongrel Convention refused to prohibit such a thing!

THE VOTE upon the new Constitution will be taken the 21st., 22nd. and 23d. of April. Be sure and VOTE AGAINST IT.

A large number of private bills passed.

HOUSE.—Robinson offered a resolution, rescinding the impeachment resolutions and withdrawing the Managers.

The Speaker declared that the resolution required unanimous consent.

Pending another prolonged question, to print forty thousand copies of Butler's speech, Robinson moved the regular order with a view of getting that out of the way; but the House adjourned.

ARRIVAL OF SERGEANT BATES IN RICHMOND—VIRGINIA CONVENTION, &C.

RICHMOND, April 8, P. M.

A resolution, prohibiting the Legislature from establishing separate schools between the two races, was defeated—67 to 21.

A speaker refused to give way to allow Sergeant Bates to be invited on the floor, saying that he did not wish to see the flag brought in under Copperhead auspices.

Bates arrived this afternoon at 4.30. About five hundred persons were at the Bridge, awaiting his arrival.

He went off in a brisk trot to the Hotel, and at 6 o'clock appeared on the top of the Capitol, and waved the flag over the large crowd, who had gathered in the park.

A fall through a bridge having lamed him, he will not leave for Washington till Friday morning.

A number of prominent citizens called on him this evening.

The Republican Executive State Committee, at a meeting to-day, resolved to call a Convention on the first Wednesday in May, to nominate State officers.

LARGE CONSERVATIVE MASS MEETING IN WILMINGTON—REGISTRATION.

WILMINGTON, April 8, P. M.

An immense Conservative meeting was held at the Theatre this evening.

A large number of ladies were present.

Able and thrilling speeches were made by Col. Cowan, Col. J. W. Atkinson and Maj. J. A. Engelhard.

The enthusiasm was intense.

Registration here, on the first day, was 41 whites and 50 blacks. Second day, whites 103, blacks 105.

Middle Sound precincts, for two days, whites 50 blacks 37.

The excitement over registration is very great but no disturbances. The remaining three days, it is thought, the whites will out register the blacks.

HEADQUARTERS SECOND MILITARY DIST.,
Charleston, S. C., March 23, 1868.

GENERAL ORDERS,
NO. 45.

The Constitutional Convention of the State of North Carolina, in conformity with the Act of Congress of March 23, 1867, supplementary to the Act of March 2, 1867, "to provide for the more efficient government of the rebel States," having framed a Constitution and civil government according to the provisions of the aforecited laws; and having by an ordinance adopted on the 17th day of March, 1868, provided that the said Constitution shall be submitted "for ratification to the persons registered under the provisions of this Act [March 23, 1867, Section 4] at an election to be conducted by the officers appointed or to be appointed by the Commanding General as hereinbefore provided, and to be held after the expiration of thirty days after the notice thereof to be given by the said Convention;" and having further provided, by the aforesaid ordinance, that at the same time an election shall be held for Senators and Representatives in the General Assembly, and for all State and County officers who are to be elected by the people under this Constitution, and further, that in each Congressional District of the State an election shall be held for a member of the House of Representatives of the United States Congress, It is ordered:

First. That an election be held in the State of North Carolina, commencing on Tuesday, the 21st day of April, and ending on Thursday the 23d day of April, 1868, at which all registered voters of said State may vote "For Constitution" or "Against Constitution," and also on the same ballot for the State and County officers and for members of the United States House of Representatives, as specified in the before cited ordinance.

Second. It shall be the duty of the Boards of Registration in North Carolina, commencing fourteen days prior to the election herein ordered, and giving reasonable public notice of the time and place thereof, to revise for a period of five days, the registration lists; and upon being satisfied that any person not entitled thereto has been registered, to strike the name of such person from the lists, and such persons shall not be entitled to vote. The Boards of Registration shall also, during the same period, add to such lists the names of all persons who at that time possess the qualifications required by said Acts, who have not already been registered.

Third. In deciding who are to be stricken from or added to the registration lists, the Boards will be guided by the law of March 2, 1867 and the laws supplementary thereto, and their attention is specially directed to the supplementary Act of July 19, 1867.

Fourth. Any duly registered voter of this State who may have removed from the County in which he was registered, shall be entitled to vote in the County to which he has removed and has resided for the ten days next preceding this election, upon presentation of a certificate of registration from the County in which he was originally registered, or upon his affidavit or other satisfactory evidence that he was so registered, and that he has not voted at this election. It shall be the duty of the Registrars, upon the application of any duly registered voter who has removed or is about to remove from the precinct in which he was originally registered, to furnish him with a certificate that he was so registered, and to note the fact in the registration books of the precinct. In default of the certificate, the affidavit of the voter must set forth the County and precinct in which he was originally registered and the length of time he has resided in the County in which he desires to vote. In doubtful cases, the Registrars or Inspectors of election shall require such additional evidence as may be necessary to satisfy them that the applicant is legally entitled to vote. Blank forms for the certificates and for the affidavits herein required, will be furnished the Registrars and the inspectors of election, and when used will be attached to the ballots cast by such voters, and will be transmitted to District Headquarters with the returns required by law.

Fifth. The said election will be held in each County at such places as may hereafter be designated, under the superintendence of the boards of Registration as provided by law, and in accordance with instructions hereafter to be given to said Boards in conformity with the Acts of Congress and as far as may be with the laws of North Carolina.

Sixth. The polls shall be opened at such voting places at six o'clock in the forenoon, and closed at six o'clock in the afternoon of each day, and shall be kept open during these hours without intermission or adjournment.

Seventh. All Judges and Clerks employed in conducting said election shall, before commencing to hold the same, be sworn to the faithful performance of their duties, and shall also take and subscribe the oath of office prescribed by law for officers of the United States.

Eighth. No member of the Board of Registration, who is a candidate for election to any office to be filled at this election, shall serve as a Judge or Inspector of Election in any precinct which he seeks to represent.

Ninth. The Sheriff and other peace officers of each County are required to be present during the whole time that the polls are kept open and until the election is completed; and will be made responsible that there shall be no interference with Judges of Election, or other interruption of good order. If there should be more than one polling place in any County, the Sheriff of the County is empowered and directed to make such assignments of his deputies, and other peace officers, to the other polling places as may in his judgment best subserve the purposes of quiet and order; and he is further required to report these arrangements in advance to the Commander of the Military Post in which his County is situated.

Tenth. Violence, or threats of violence, or of discharge from employment, or other oppressive means to prevent any person from registering or exercising his right of voting, is positively prohibited; and any such attempts will be reported by the Registrars or Judges of Elections, to the Post Commander, and will cause the arrest and trial of the offenders by military authority. The exhibition or carrying of deadly weapons in violation of General Orders No. 10, of 1867, at or in the vicinity of any polling places during the election herein ordered, will be regarded and treated as an additional offence.

Eleventh. All bar rooms, saloons, and other places for the sale of liquors by retail, will be closed from six o'clock of the evening of the 20th of April, until six o'clock of the morning of the 24th of April, 1868, and during this time the sale of all intoxicating liquors at or near any polling place is prohibited. The police officers of cities and towns, and the Sheriffs and other peace officers of Counties, will be held responsible for the strict enforcement of this prohibition, and will promptly arrest and hold for trial all persons who may transgress it.

Twelfth. Military interference with elections, "unless it shall be necessary to repel the armed enemies of the United States, or to keep the peace at the polls," is prohibited by the Act of Congress approved February 25, 1865, and no soldiers will be allowed to appear at any polling place, unless as citizens of the State they are qualified and are registered as voters, and then only for the purpose of voting; but the Commanders of Posts will keep their troops well in hand on the days of election, and will be prepared to act promptly if the civil authorities are unable to preserve the peace.

Thirteenth. The returns required by law to be made to the Commander of the District of the results of this election, will be rendered by the Boards of Registration of the several Registration precincts through the Commanders of the Military Posts in which their precincts are situated, and in accordance with the detailed instructions hereafter to be given.

Seaton Gales, } Editors.

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

A strict observance of the Constitution of the United States, and the harmonious Union of equal States;

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co-ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.
